

The background of the image shows a wedding reception. In the foreground, a round table is covered with a white tablecloth and set with white plates, silverware, and several glasses. Pink napkins are folded into decorative knots on the plates. A large, lush floral centerpiece with pink and white roses and greenery sits in the center of the table. In the background, more tables are visible, also decorated with similar floral arrangements. A brick wall is visible in the far background. The image is overlaid with large, semi-transparent, organic shapes in shades of red and pink. The text 'Bh' is prominently displayed in the center in a large, dark blue serif font.
